## Representation letter

Our reference: KIE

Date: December 4, 2013

Dear all,

HASSIA-REDATRON GmbH in Butzbach, Germany is a specialist mechanical engineering company which manufactures vertical packaging machinery for flexible packaging.

Our machines meet the varied and demanding requirements for use in the food, cosmetics (personal and beauty care), pharmaceuticals, detergent, chemical and other industries.

Herewith company HASSIA-REDATRON confirms to:

Company «ProVisionGroup»  
115516, Russia, Moscow,  
ul. Promishlennay, 11, str.3, office 419.

as an non exclusive agent for Russia, represented by its General Manager Mr. Vladimir Zorin.

Company ProVisionGroup is entitled to represent our company at customers in Russia, to acquire projects and services in the markets of food, pharmaceuticals, cosmetics and other industries. HASSIA-REDATRON will jointly follow up the projects together with ProVisionGroup in order to satisfy the customers with the needed equipment and/or services.

The agent gets all needed support to ensure a positive business development for the final customer. The agent will keep the company above his projects informed. Proposals will be sent to the customer by the agent or directly, if required. HASSIA-REDATRON will send copies of the correspondence with the customer to the agent.

The confirmation is valid for one year after signing this document

With best regards

**HASSIA-REDATRON GmbH**

  
Hans Werner Kiedrowski  
Managing Director
