Representation letter

Kirchlengern, 24.03.2015

Dear all,

A+F Automation + Fördertechnik GmbH in Kirchlengern, Germany is a specialist engineering company which manufactures vertical packaging machinery for flexible packaging.

Our machines meet the varied and demanding requirements for use in the food and dairy, beverage, pharmaceuticals, and other industries.

Herewith company A+F Automation + Fördertechnik confirms to Company:

ProVisionGroup, OOO
115516, Russia, Moscow
Ul. 1-ay Stekolnaay, 7 bild. 13

as a non-exclusive agent for Russia, represented by its CEO Mr. Vladimir Zorin.

Company ProVisionGroup is entitled to represent our company at customers in Russia, to acquire projects and services in the market of food and dairy, beverage, pharmaceuticals, and other industries. A+F F Automation + Fördertechnik will jointly follow up the projects together with ProVisionGroup in order to satisfy the customers with the needed equipment and/or services.

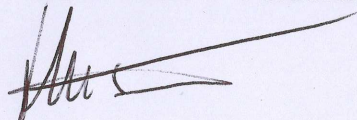

The agent gets all needed support to ensure a positive business development for the final customer. The agent will keep the company informed about his projects. Proposals will be sent to the customer by the agent or directly, if required. A+F Automation + Fördertechnik will sent copies of the correspondence with the customer to the agent.

The confirmation is valid for one year after signing this document.

With best regards,

A + F Automation + Fördertechnik GmbH

ppa.
